

MISSION STATEMENT: The staff and volunteers of Catholic Charities Indianapolis are called by the Gospel to uphold the dignity of all people. Guided by Catholic social teaching, we consider it a privilege to deliver compassionate and caring service to help and empower those in need.

Dear Friends,

Humans are inherently designed for companionship, bearing hearts that yearn for connection and the warmth of love. The essence of community lies at the heart of Catholic Charities' foundational purpose. For over a century, our commitment has been to meet individuals and families precisely where they stand, extending aid to anyone in distress, regardless of their beliefs, gender, race, or background.

Serving means more than just providing assistance; it means walking in solidarity with our neighbors in need, ensuring that they are not only seen but also heard. It means sharing in some measure of their hardships, forging genuine connections, and guiding them toward the services and resources that can alleviate their burdens.

In the midst of our world grappling with the economic, political, and social repercussions of the pandemic, those we serve continue to navigate a challenging path. This is why our steadfast calling to deliver a message of compassion and hope to a world in crisis remains unwavering.

As evidenced in this report, our donors continue to step up with unwavering enthusiasm to support our mission. Your generosity enables us to extend our assistance to each individual we serve while reducing our dependence on government funding with its accompanying constraints. Nevertheless, there is still work to be done to bridge the funding gap, and there is an abundance of good that we aspire to achieve.

We maintain our faith that, as we serve and innovate, divine providence will continue to bless us, as it has during the pandemic. Extraordinary acts of generosity have enabled us not only to endure this challenging period but also to serve with greater depth. We are deeply appreciative of every gift, for every dollar contributes to advancing our mission. We cannot fulfill our mission without your support.

The calling to connect and serve, to stand alongside our neighbors in their times of need, is a fundamental aspect of Catholic Charities. We exist for one another, and with your steadfast support, we can impart a message of compassion and hope to a world that is still in great need.
